Chief Marc Meredith
Sonoita-Elgin Fire District

Chief Meredith,

After review of your request, the Santa Cruz County Treasurer's office has decided to proceed with estimated disbursements for August, September, and October 2026.

As you are aware, the new accounting and disbursement system being implemented is still in initial stages of activation. For that reason, the disbursements are not thoroughly reconciled and are subject to errors, including, but not limited to, overpayment.

The Treasurer and County maintain a Fiduciary Duty to the taxpayers. For that reason, the Treasurer's Office and County reserve all rights to take any actions necessary to ensure the overall distribution is accurate, which may include adjusting future payments, as well as other actions to recoup overpayment.

The District is encouraged to assess all payments for accuracy and bring any overpayment or underpayment to the attention of our Office as soon after payment has been made as possible.

The District's cooperation and assistance with ensuring accurate distribution is appreciated.

Sincerely,

Alejandro I. Paz
